think Senator Labedz has brought up some things here that we need to consider a little more. I certainly am willing to work with her. One of the things that was brought up on this is that if the gross proceeds are in excess of \$1,000 and they need to return 65 percent to the purchaser of these tickets, one way we may want to go is if they go over the \$1,000 and their prizes are not at the 65 percent return, they may have to add a little more to the prizes. But anyway I'll be happy to work with her. Maybe we can have an amendment on Select File. I move for the advancement of this bill.

SENATOR CLARK: Question before the House is the advancement of the bill. All those in favor vote aye, opposed vote nay.

CLERK: Senator Clark voting yes.

SENATOR CLARK: Have you all voted on the advancement of the bill? Record the vote.

CLERK: 25 ayes, 0 nays, Mr. President, on the motion to advance the bill.

SENATOR CLARK: The bill is advanced. We will go to 530, I don't know whether that is tonight or the next bill. Senator Hefner.

SENATOR HEFNER: Mr. President, I would like to ask for a white copy of the bill to be printed.

SENATOR CLARK: Can you do that, Pat? He will talk to you privately on that.

SENATOR HEFNER: Okay, thank you.

CLERK: Mr. President, before I go to 530, I have some amendments from Senator Lamb to 930, Senator Wesely to 928. (See pages 1838-1839 of the Legislative Journal.)

13A, 714, 975, 1019 are all reported correctly engrossed, Mr. President. (See pages 1839-1840 of the Legislative Journal.)
